ABOUT RTSNV

Rebuilding Together Southern Nevada's mission is Repairing Homes, Revitalizing Communities, Rebuilding Lives.

Rebuilding Together Southern Nevada (formerly known as Christmas in April) was established in 1994. The organization partners with the communities of Clark County and Nye County to preserve affordable homeownership. This is accomplished by bringing volunteers and community partners together to improve the homes and lives of low-income homeowners. Each year we help more than 2,000 people in our community.
